

## **Information Session for Local Councils on Territorial Cooperation**

On 13 February 2009, the Territorial Cooperation Unit within PPCD together with MEUSAC held an information session for Local Councils on Territorial Cooperation Programmes at the Intercontinental Hotel, St. Julian's.

The information session focussed on the projects implemented by means of the Interreg Programmes pertaining to the previous programming period (2004-2006) as well as the funding opportunities offered by the new Territorial Cooperation programmes (2007-2013). Presentations on projects implemented were made by a number of Local Councils whilst PPCD officials briefed participants on current and upcoming calls for project proposals under the new programmes, namely, the Italia-Malta, MED, IVC and ENPI programmes.

On the other hand, MEUSAC provided tips for successful projects. A closing address by the Hon. Dr. Chris Said, Parliamentary Secretary for Public Dialogue and Information concluded the session.
